Dear Ms Melanie Borrett

Important Contract Renewal Information

On **31 March 2020** your current *Fixed for business* contract will end and we'd really like you to stay with us. To help you select your new business energy deal we've made things straightforward and easy. Here are your options:

- **Do nothing** - We'll automatically renew you onto our next 12 month *Easy Fix* tariff (new prices overleaf). These will apply from **1 April 2020** until **31 March 2021**. You'll continue to benefit from a fixed price with the freedom to change your tariff at any time. Or if you want to leave, simply give us 30 days' notice, a meter reading and clear any outstanding balance.
- **Get fixed prices until 31 March 2023** – Agreeing a longer fixed term contract gives you price certainty and can often mean cheaper prices. Our *Fixed for business* until **31 March 2023** prices are overleaf and it couldn't be easier to get them. Simply sign the enclosed contract and return it in the freepost envelope provided before **31 March 2020**.
- **See if one of our other contracts could better suit your business needs** - Simply use MyAccount to review your options. You can log in or register at edfenergy.com/247 or give us a call on 0333 009 7095[†]. We're open Monday to Friday 9am until 6pm.
- **Choose not to renew** - If you're thinking of switching when your current contract ends, you'll need to provide notice by **1 March 2020**, a meter reading and clear any outstanding balance. If you miss this date we'll renew you onto *Easy Fix* which has a short 30 day notice period. You'll then transfer on to *Extended Supply* prices until you leave or choose a new tariff. Information on how to give notice and what happens when you do can be found in your Statement of Renewal Terms.

We know there's lots of information in this letter, so if you have any questions, please give us a call on **0333 009 7095[†]**. We're open Monday to Friday 9am until 6pm.

Thanks for being an EDF Energy customer and we hope you decide to stay with us.

Yours sincerely,

Steve Hayfield
Customer Services Director

Your 12 month *Easy Fix* prices

On this page, we've included your supply details, your current prices and some of your renewal options. If you choose to automatically renew, the *Easy Fix* prices below will apply from **1 April 2020** until **31 March 2021**. The prices shown are as they would appear on your bill, but remember we'll also give you a 7% discount off your prices simply for paying monthly by Direct Debit.*

Further details on our renewals process can be found on your Statement of Renewal Terms.
