INTERNAL CONTROL POLICY FOR THE FINANCIAL YEAR ENDING 31st MARCH 2019

1. SCOPE OF RESPONSIBILITY

The Accounts and Audit Regulations 2003 states that a Council shall be responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control which facilitates the effective exercise of the Council's functions and which includes arrangements for the management of risk

The Winkleigh Parish Council (the Council) is responsible for ensuring that its business is conducted in accordance with the law and proper standards, and that public money is safeguarded and properly accounted for, and used economically, efficiently and effectively.

In discharging this overall responsibility, the Council is also responsible for ensuring that there is a sound system of internal control which facilitates the effective exercise of the Council's functions and which includes arrangements for the management of risk.

2. THE PURPOSE OF THE SYSTEM OF INTERNAL CONTROL

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives; it can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of the Council's policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically.

The system of internal control will be in place at the Council for the year ended 31 March 2019 and up to the date of approval of the annual accounts and accords with proper practice as set out in the Practitioners' Guide *Governance and Accountability in Local Councils* (2016 Edition). It will be reviewed in March 2019
